## Benefit Chart of Medicare Supplement Insurance Plans Sold for Effective Dates on or after January 1, 2020

This chart shows the benefits included in each of the standard Medicare Supplement insurance plans.

Every company must make Plan "A" available. Some plans may not be available. Only applicants **first** eligible for Medicare before 2020 may purchase Plans C, F and High Deductible F.

**Plans shown in gray are available for purchase.** All plans provide a Voluntary Individual Outcomes Management Program. This program provides benefits for cost-effective alternative treatment options as agreed upon by the policyholder, the provider and Anthem. See the Plan descriptions within this outline for more information.

Note: A " $\checkmark$ " means 100% of the benefit is paid.

<sup>1</sup> Plans F and G also have a high deductible option, which require first paying a plan deductible of \$2,370 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High Deductible Plan G does not cover the Medicare Part B deductible. However, High Deductible Plans F and G count your payment of the Medicare Part B deductible. We do not offer High Deductible Plans F or G.

<sup>2</sup> Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

<sup>3</sup> Plan N pays 100% of the Part B coinsurance, except for a copayment of up to \$20 for some office visits and up to a \$50 copayment for emergency room visits that do not result in an inpatient admission.

\* Plan B is only available to those who are under age 65 and qualify for Medicare due to disability.

### Finding the right plan for you

Plans A, B, F, G and N | Effective July 1, 2021

#### Next steps:

- Compare the individual plan pages
- Choose the plan that meets your needs
- Find the premium for your plan selection
- Enroll

#### Find your premium

Premiums for age 65 and older (and future changes to premiums) are determined by several factors, including the county where you live, whether you are applying during your **Open Enrollment Period**, your eligibility for **Guaranteed Issue**<sup>¢</sup> coverage, your tobacco use, age, gender, plan and the costs of medical services and supplies. If you are under age 65 and Medicare eligible, refer to page 10.

- Your Open Enrollment period is the best time to buy a Medicare Supplement plan. The Open Enrollment period automatically starts the month you turn age 65 and enroll in Medicare Part B this period only occurs once and allows you to enroll in any plan offered. During this period, you do not go through medical underwriting and are guaranteed acceptance into the plan of your choice!
- When outside your Open Enrollment period you may experience a **Guaranteed Issue** right. These rights generally occur when you have other health coverage that changes.

#### Plan B (Under 65) | Effective July 1, 2021

Plan B is available to those eligible for Medicare for reasons other than age. Premiums are subject to change.

If you are under age 65 and eligible for Medicare due to disability
or End-Stage Renal-Disease, and within 6 months of your enrollment
into Medicare Part B, you are eligible to enroll in the plan below.

Plan B	\$1,097.00
--------	------------

Plans A, B, F, G and N Retain this outline for your records.

#### **Premium Information**

We, Anthem Health Plans of Virginia, Inc., herein referred to as Anthem, can only raise your premium if we raise the premium for all plans like yours in this Commonwealth. We will recalculate your age each year and adjust your premium based on your new age band at your plan renewal date. Premiums are subject to change on or after the Renewal Date in accordance with the terms of the Policy. Renewal Date is defined as July 1, subject to the Commonwealth's approval. The selected billing preference does not guarantee your premium for any specific period. Approved premium changes are effective as of the Renewal Date.

Premiums for other Medicare Supplement policies that are issue age or community rated do not increase due to changes in your age. While the cost of this policy at your present age may be lower than the cost of a Medicare Supplement policy that is based on issue age or community rated, it is important to compare the potential cost of these policies over the life of the policy.

#### Disclosures

Use this outline to compare benefits and premiums among policies.

Medicare deductibles and coinsurance amounts are effective as of January 1, 2021. Medicare may change their amounts annually.

#### **Read Your Policy Very Carefully**

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and Anthem.

#### **Right to Return Policy**

If you find that you are not satisfied with your policy, you may return it to us at our Administrative Office: P.O. Box 659816, San Antonio, TX 78265-9116. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all of your payments.

#### **Policy Replacement**

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

#### Notice

This policy may not fully cover all of your medical costs.

Neither Anthem nor its agents are connected with Medicare.

This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security Office or consult *Medicare and You* for more details.

#### **Complete Answers are Very Important**

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information.

Review the application carefully before you sign it. Be certain that all information has been properly recorded.

- \* A benefit period begins on the first day you receive service as an inpatient in a hospital and ends after you have been out of the hospital and have not received skilled care in any other facility for 60 days in a row.
- \*\* NOTICE: When your Medicare Part A hospital benefits are exhausted, the insurer stands in the place of Medicare and will pay whatever amount Medicare would have paid for up to an additional 365 days as provided in the policy's "Core Benefits." During this time the hospital is prohibited from billing you for the balance based on any difference between its billed charges and the amount Medicare would have paid.
